Jenny Evans I would have to say that it's the high energy and the fact that it is all of "your" music. Such talent.

Bubba D. Liverance Well I guess I like the fact that you've got a guy that can sing and write great stuff. Plus supporting band members that know how to find the "pocket" and lock in. You guys really make me mad, because you make me work harder trying to keep up! I don't like working hard!

Sidney Buck Giaccone Love that Steve and I feel like we are Special fans of the band. Absolutely love that the songs speak to the heart. It is almost like the song was written especially for us. I know the lyrics speak to a lot of people also. I love that Lesa and Rick come into the audience. It gets the fans involved.
